CERTIFICATE OF CORRECTION AND
REQUEST FOR REPRINTED COVER PAGE OF LETTERS PATENT

Sir:

It is respectfully requested that a Certificate of Correction be issued by the Patent and Trademark Office due to an error which appears in the printed patent as a result of a typographical error which was not the fault of the Patent and Trademark Office. A Certificate of Correction form, in duplicate, is enclosed, along with a Petition Under 37 C.F.R. § 1.183 to Correct Assignee Information.

MAR 27 2006

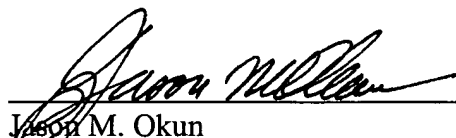

Accompanying this letter is a check for \$100.00 to cover the statutory fee for such Certificate of Correction. Any additional fee required by this paper may be charged to Deposit Account No. 06-1205.

The enclosed Certificate of Correction notes an error on the cover page of the patent. The original Letters Patent is enclosed for the necessary reprinting. It is respectfully requested that the cover page be reprinted to correct such errors.

Specifically, the name of the Assignee listed on the cover page of the patent is incorrect. As shown by the attached Assignment document, which was executed more than four years before the issue date of the patent, on March 6, 2001, and which was originally filed by Patentees on April 6, 2001, the correct name of the Assignee is "Canon Denshi Kabushiki Kaisha".

Patentees' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our address given below.

Respectfully submitted,

Jason M. Okun
